

### Young Adult Service

We have recently launched three **NEW** exciting services for young people with learning disabilities, aged between 16 and 25+;

"I Can Do It"

"Seed To Plate"

"In Stitches"

Look out for our new leaflets being sent out soon with more detailed information on all of the above services.

#### In Stitches

Thursdays 10am – 2pm

We currently have eight places available for anyone with an interest in sewing knitting or crafting .

We will be starting this service on:  
Thursday 6th June

### EXERCISE SESSIONS:

On Friday mornings we are having great fun as Andy Watmuff from "All Teed Up" is leading us in 6 sessions of seated exercise classes using weights and stretch bands.

This is part of our Self Care Awareness.

There are many things we can do to keep fit and healthy without it costing the earth. We are all learning that we should take care of ourselves better.

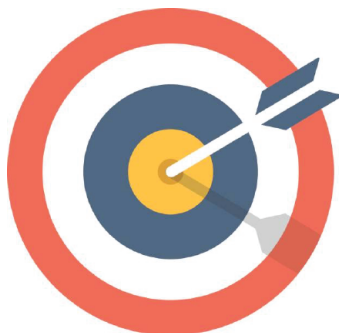

### ASPIRATIONS :

Our registration forms have a new look ! And we are asking that when you complete the new registration forms that you give some real thought to the Aspirations section....

**What do you want to achieve from attending SNOOP ?**

#### Aspirations and Personal Goals

are a key part of life as an adult.

We all have our dreams,  
things we really want to do  
and personal goals we want to try to reach.

Such aspirations seem to get lost in the move from school or college to adulthood and from Education Health and Care Plan to adult services.

Our new adults services have aspiration at their heart so that our young adults can continue to achieve and learn in practical ways based on their personal goals.

**This is their life..... Be a part of helping them to learn how to live it as independently as they can. Please fill this section in with them.**

### Childcare

The children would like to say a huge **THANK YOU** to **Woodhouse Grove School** and **Vanquis Bank**

Who kindly donated 80+30 = **110 EASTER EGGS** for all our young people

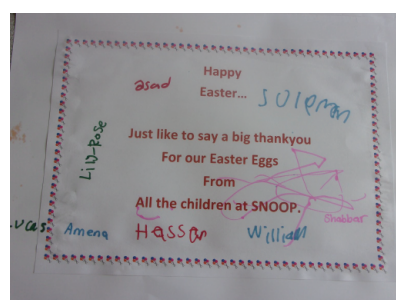

**WOODHOUSE  
GROVE SCHOOL**

**WE LOVED THEM !**

The children and staff in childcare also had lots of fun making an Easter collage during play scheme using lots of different arts and crafts

### Adventure Play:

Our sessions at the Big Swing have now come to an end, but Gracie from the Adventure Playsite is coming to SNOOP for a few weeks on a Friday After School session to extend on the adventure play experience for our children. So far we have made bird feeding tables, helped build a bug hotel, and baked chocolate cake inside oranges !

**Play Scheme** is here again for May. We are taking the lead from the children in building our mud kitchen area, our bug hotel and our outdoor construction area. Look out on our facebook page for the finished result.

### Short Breaks Climbing Wall

Climbing Wall sessions are available on **Thursday 30th May** at SNOOP between **10am and 12pm**.

Book your place. Cost is **£5**

### Nursery

Tadpoles Nursery provides day care and early education grants for 2-4 year olds and you can use your free 15 hours or your 30 hours entitlement with us.

If you are interested in a place, please give us a call on 01274 292126

We welcome our new 2 year old children to Tadpoles Nursery and we are getting ready for the summer term and preparations for our 4 year old children who will be leaving Tadpoles Nursery to go to school for the first time.

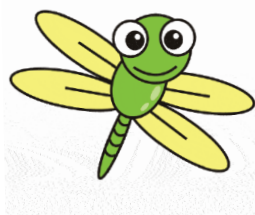

These are exciting times in nursery, we have been growing things and have made our own potato heads.

We are also growing our own Beanstalk !

We have been learning about how Tadpoles change into frogs.

We have also been taking advantage of this sunny weather working in our mud kitchen and finding and observing bugs and insects in our bug wood.

Name	Jenni	
Job Title	Play Support Worker	
Time at Snoop	3 Years	
My job is	Within the Adult Service . I support young adults In a person centred way to have a happy full filled day

We are delighted to say that our application for funding was successful and Morrisons have awarded us the fantastic amount of **£5,178 !!!**

This much needed award means that now we have completed the funding for our sensory room update

**THANK YOU !**

### Carers

SNOOP have been working together with Aware and the Parents Forum for Bradford & Airedale

We have met to look at ways in which parent/carers of young adults with learning disabilities and Autism can be supported through the transition process for school to adulthood.

There is a formal process for the young person to go through , but for the parent/carers there is also a transition they find themselves facing.

Questions such as:

'What happens to me when they leave school, I have to work?'

'What is out there/available?'

'I am no longer a parent, but I am a Carer..... What are my rights?'

We have now met with Carers Resource who have been awarded the Carers Contract in Bradford and together we are hoping to raise awareness with the Carers Partnership Board in Bradford.

We have been supporting parent/carers through this time of transition for a number of years.

If you have received support from SNOOP about transition or any other support we have been able to give you, we would really love to hear from you and how it helped.

### Fundraising

### Fayre and Afternoon Tea Saturday 29th June

We hope you will be able to join us at this family event.

If you wish to book an afternoon tea, this must be done in advance for catering purposes.

**We have 3 time slots: 11 am, 12 and 1 pm.**

Please indicate your time preference when you book and pay.

You do not need to book if you are just coming to the Fayre.

We'd love to see you there....

### Chocolate Hamper Raffle

All funds raised will go towards the purchase of a new pool table for our Youth Club and Young Adults

Get your Raffle Tickets from any member of staff at SNOOP/Tadpoles Nursery

Tickets are £1 per strip

### Making A Difference

SNOOP attended an information event at the Richard Dunn Sports Centre for World Autism Day.

Organised by Aware and Barnardos, it was one of the busiest events we have ever been too.

50 people came to speak to SNOOP during the day. About 35 of those were new parents and 15 professionals. The thing that stood out the most was that people were not aware that all this fantastic range of support was out there in Bradford !

Together we are changing this.

Organisations run by Parents and Carers delivering services to parents and carers and the people they care for. It works – and Bradford has built a solid foundation of such work .

 SNOOP is 19 years old on 24th August this year.

Thank you for all your continued support in these changing and ever difficult times.

**Here's to the future.**
