

## SEASONS GREETINGS

It's been a tough year for everyone but we wish to spread a little cheer with this festive newsletter. We hope you enjoy reading what we have been up to and our exciting plans for our 21st year. The countdown to Christmas has begun and we are launching an exciting fundraiser as part of our Christmas giving campaign.

Once again we thank everyone who continues to support our work and wish you all a merry Christmas.

## 2020 at SNOOP

This year has seen us undertake a variety of new projects. Funding from the Jump Award Scheme has enabled us to upgrade the children's play area with some exciting new play equipment.

The adults garden has had a makeover with a new outdoor seating area and accessible path way. A new Interactive smart board system has also been added into the young adults indoor area. Additionally the adults service gained funding to deliver a weekly, mind, body and soul session focussing on physical and emotional health.

Despite the challenges of Covid-19 we have continued to support our families through covid safe ways of working. Funding from the TNL community fund enabled us to deliver activity packs to our children and adults and to offer a range of on-line 'zoom' activities.

In November we launched our YouTube channel and adults digital visual timetable, which has proven to be very popular.

We have lots of things planned for 2021 and hope for an actioned packed, fun filled year!

# Young adults story 2020

*Hello my name is Natalie. Since the Lockdown started I have been keeping myself busy. I have been helping at home washing up and learning to use the washing machine and the dryer. I found out my arms are not long enough to peg washing out on the line, it is really hard, at least I tried.*

*Each day I have jobs to do. It is important to me. I have been doing my activities and my lockdown book and I have been doing a sponsored walk to raise money for SNOOP so I get outside.*

*It has been hard, I have been sad sometimes my sister she had cancer and she went into a hospice in Hull and in July she died. Sometimes it has been fun too. I miss my friends, I don't like this virus I want to come back to SNOOP soon.*

*Thank you for listening, Natalie*

## 30 for 30 campaign

In 2020 we launched our 30 for 30 campaign  
We aim to raise £30,000 through a range of fundraising activities.

Special thanks to Jenni R and Natalie for their walking challenges. They raised £150 between them!

## Parent/carers comments 2020

*When asked if attending the SNOOP summer play scheme helped their child to have fun and be happier, 100% of parents and carers said yes*

*"We were lost without SNOOP during Lock-down"*

*"SNOOP is her life"*

# Buy a bauble for our virtual christmas tree

Giving a small donation to a local charity like SNOOP makes a huge difference to the work we do.

£10 will pay for play resources such as paints, pens and paper

£30 will provide one hour of care for a child with SEND

£100 will provide sensory resources for children and adults with learning disabilities

Are you a company? then why not make us your charity of the year?  
All donors will receive a personalised thank you letter.
